Professional Summary

Java Full Stack Developer fresher with hands-on experience in Spring Boot, REST APIs, MySQL, and frontend development. Developed offline-first web applications including AttendX, a smart attendance management system with OTP-based authentication and SQLite-to-MySQL synchronization. Strong understanding of backend development, database integration, and secure authentication using JWT and Spring Security.

Education

Bachelor of Technology in Information Technology - NPR College of Engineering and Technology, Natham
2022 - Present | CGPA - 8.1

Honours in CSE - NPR College of Engineering and Technology, Natham
2022 - Present

SSLC & HSC - NSVV Boys Hr Sec School, Pattiveeranpatti
2020 - 2022 | 88% & 70%

Project Experience

AttendX — Offline-First Smart Attendance Management System

- Designed and developed the complete Spring Boot backend with RESTful APIs for Admin, Teacher, and Student roles using Spring Security and JWT authentication
- Integrated a delay-tolerant sync strategy where attendance records saved offline in SQLite are uploaded to MySQL when internet becomes available — ensuring zero data loss

Smart Parking System

- Designed and developed a backend-centric Smart Parking system using Spring Boot and Built REST APIs to manage parking slot availability, booking, and cancellation.
- Structured backend using Controller–Service–Repository architecture for maintainability.

Todo Management Application (JWT Secured)

- Developed a secure backend Todo Management system using Spring Boot and Spring Security with JWT-based authentication and authorization for user registration and login.
- Designed REST APIs for creating, updating, deleting, and retrieving todo items.

Technical Skills

- Programming Languages: Java, Java Script
- Frontend: HTML, CSS, React js, Bootstrap
- Backend: Spring Boot
- Databases: MySQL, SQLite
- Tools & Platforms: GitHub, Eclipse, IntelliJ, Postman
- Computer Science Fundamentals: OPP, Data Structures and DBMS

Internship Experience

Java Full Stack Intern - Gradtwin Edutech

Chennai, Tamil Nadu | March 2026 - Present

- Developed full-stack web application modules using Java, Spring Boot, HTML, CSS, JavaScript and MySQL and Participated in debugging, testing, and improving application performance.
- Gained hands-on experience in full-stack development lifecycle including frontend, backend and database integration.

UI/UX Design (Intern) - Pumo Technovation Pvt Ltd

Chennai, Tamil Nadu | 20/06/2025 - 20/07/2025

- I learned to apply user-centered design principles using Figma & Photoshop - conducting UX research, wireframing, prototyping, and creating responsive mobile and web interfaces.
- Collaborated with the design team to develop a drone-selling application interface.

Achievements and Accomplishments

CCNAv7 : Switching, Routing, and Wireless Essential

Cisco Network Academy | 04/10/2025

Google UX Design (7 Modules each with Separate Certificates)

Coursera | 30/04/2025

CCNAv7 : Introduction to Networks

Cisco Network Academy | 25/07/2025

SAS SQL

Infosys Spring Board | 22/10/2024

Secure Full Stack Developer Programming

Infosys Spring Board - 24/10/2024

Hobbies

- Chess
- Drawing
- Cricket
